

Memo

To: Board of Commissioners
From: Doug Coutts, Director
Date: 6/15/2018
Re: Campground Phase 1-Final Review of Plans

Before we proceed with the final grant agreement, we need to update the agreement with what our actual plans are for the grant monies. Included in your board packet is an excel spreadsheet revised by J. A. Brenna to drill down to below \$400,000 for the first phase of Campground Construction. The board will need to review and finalize this list so we can move forward with the Grant Agreement.
