**To:** Board of Commissioners  
**From:** Carrie Monforte  
**Date:** 6/15/2018  
**Re:** Scholarship Funds for Seniors to Participate in Recreation Programs

---

At the May 16 board meeting we discussed adding \$1000 to the scholarship fund and expanding the guidelines to allow lower income seniors to participate in our recreation programs with financial assistance. We were directed to provide guidelines to this end. Along with the proposed scholarship guidelines, see the following page for income eligibility guidelines.

## **SCHOLARSHIP GUIDELINES**

Needs-based scholarships are available for youth and seniors ages 55+ on a limited basis. Applicants receive 50-100% of cost of program, up to \$50.00. There is a limit to one scholarship per individual per fiscal quarter (three-month period) for a program, (class or event, etc.), and new applicants will receive priority. Applicants are responsible for the balance of a fee above the scholarship amount before being registered. Scholarships are limited to individuals only. Groups and organizations are not eligible to apply. Please note: Some contract programs do not fall under these guidelines.

Income eligibility may be determined by evidence of participation in a social service program such as USDA Free or reduced school lunch program, Foster care, Receiving TANF or food stamps, Medicaid. The amount of the scholarship will be determined using the Income Eligibility Guidelines for free or reduced meals provided by the USDA. Those who qualify for Free Meals, will receive a 100% scholarship (up to \$50), and those who qualify for Reduced Meals, will receive a 50% scholarship (up to \$50).

## **INCOME ELIGIBILITY GUIDELINES BELOW.**

These income eligibility guidelines are updated annually by USDA Food and Nutrition Services. These guidelines are used by schools, institutions, and facilities participating in the National School Lunch Program (and Commodity School Program), School Breakfast Program, Special Milk

Program for Children, Child and Adult Care Food Program and Summer Food Service Program. The annual adjustments are required by section 9 of the National School Lunch Act.

Authority: Section 9(b)(1) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758b)(1)(A).
