

Memo

To: Board of Commissioners
From: Doug Coutts, Director
Date: 9/14/2018
Re: Compensation and Benefits study update-Discussion

Based on conversation at the August 27th board meeting, staff has reached out to multiple companies regarding providing a quote on updating the study. To date we have received 2 quotes back and hope to get at least 1 more.

At this point this is a discussion item as staff needs to update all job descriptions with current duties and ensure they match what staff roles actually are prior to doing any sort of study.
