Dear SW Parks and Recreation Staff,

I hope you all had a nice summer. I am writing to ask if the SW PTSA can hold our annual fundraiser, the Elf Chase 5K Fun Run/Walk, on December 2nd this year? And if we can have the parks and rec fee for SW Community Park be waived. I have attached a reservation request.

Thank you for all of the gracious support that you have given South Whidbey Schools in the past and the present. Your support will continue to help us raise thousands of dollars to be used by teachers and staff for field trips or to buy much needed materials for educational enrichment.

Sincerely,
Danielle Klein
