

Memo

To: Board of Commissioners
From: Doug Coutts, Director
Date: 9/14/2018
Re: LWCF Support Letter-Discussion/Approval

The LWCF program expires this year and no funding is dedicated to it going forward at this point. The WRPA-Legislative committee is recommending and requesting letters of support for the program and its continued funding from local government agencies. Staff echoes this recommendation and request.

Included in the board packet is a draft letter provided by the WRPA Legislative committee for board review.
