Re: 2019 Budget

On Tuesday November 20th, the board will hold its budget hearing prior to the Regular Board meeting. This is the opportunity for the Community to comment on the budget. At this point the board has reviewed the budget and the final document will be presented at the hearing.

During the regular meeting, the board will approve the 2019 Budget and the 2019 Levy via Resolution 2018-06 Budget/Levy.
