

Memo

To: Board of Commissioners
From: Doug Coutts, Director
Date: 3/14/2019
Re: Master Plan Workshop-Memo

At our February meeting, we discussed the Master Plan document and reviewing and revising the document. We will review the 2007 Master Plan, discuss possible changes/updates and look at an overall plan for the future.

We will do this at the workshop, and will have an agenda item to approve any changes on the Regular meeting agenda if necessary.
