Bethany,

All requests for school usage of our fields need to go through the Athletic office at the school. I have copied Paul Lagerstadt on this so he will be aware. Please have a Field Use Request form filled out and approved by Paul so we can take a look.

Hello Carrie,

I'm a volunteer coach for SWHS Softball and at the moment our high school field is not safe to play on. We have asked our Athletic Director to make sure the field is drug and taken care of so our players are safe, but

this has not been taken care of yet. I was hoping I could reserve Field #4 for Tuesday, July 13th from 5:30-7pm for our 'Open Field' practice. Is this a possibility? I'd be incredibly grateful!

Cheers,

Bethany Flister
