**To:** Board of Commissioners  
**From:** Doug Coutts, Director  
**Date:** 4/15/2022  
**Re:** VI-b-Trustland Trails-WTA visit and feedback

---

Staff was able to connect with WTA representatives and arrange a site visit to Trustland Trails to review the plans for the new trail there and give us their thoughts on our plans. The Trails Committee plans to meet early in next week to review and discuss these comments and the recommendations from WTA for a committee recommendation to the board for action.
