Re: Comprehensive Plan Programs

Aquatic Wellness Center

I have completed putting together the Request For Qualifications (RFQ) for the pool design process, the document has been included in your board packet. This RFQ was sent out on Monday August 8th to 34 firms. Our Schedule has responses due in our office by August 22nd. The proposals will then be reviewed by the Joint Pool Committee, narrowed and then up to three firms will be interviewed. A recommendation with a contract for approval will be coming to the September board meeting.

Grant Applications

All 6 of our grant applications for this cycle have been submitted and I have been reviewing the comments on our presentations and revising them. We will show the board our current draft-maybe final draft, at the board meeting of the 4 PowerPoint presentations. Our scheduled presentation times are as follows:
