News:

SWSD has notified us that we can begin to utilize their gyms & facilities again. Currently in contact with the district to find times/dates to schedule:

- o Little Dribblers & Youth Basketball
- o Adult Drop-In Volleyball
- o Expanded Pickleball offerings (weekends)
- o Youth Dodgeball
- o Youth Tennis

Working with South Whidbey Youth Soccer Club to expand when they have practice times and move teams to the elementary school field. This will help alleviate parking, field wear, and restroom congestion.

Community Pickleball Day

Facilities and Grounds

- This month we are continuing with field maintenance aeration and top dressing as needed.
- We are doing some repair work on baseball fields 2/3 we had a car do some vandalism over one of the weekends.
- We are preparing for the Westling Invite this coming weekend.
- Youth soccer is in full season right now, so we are supporting that, which includes a lot more maintenance at the sports complex.
- We will be transitioning to a lot more trail work in the coming months and will be laying out an equestrian Trail to the left side of the ADA trail for access and approval next month.

Director's Items

We received 2 responses to the RFQ for the design of the Aquatic Wellness Center. I arranged interviews with both firms with the Joint Pool Committee and hope to have a recommendation for the board meeting as to how to proceed. Our 6 grant applications have now gone through the entire application process and the preliminary ranked list has been released. This still needs to be approved by the RCO board and then we will need to wait on the funding levels to see which of our grants were successful in receiving funding. Work on the 2023 budget draft is underway and an initial draft will be available for the board meeting.
