

Memo

To: Board of Commissioners
From: Doug Coutts, Director
Date: 10/13/2022
Re: Diamond Dust infield mix quote

Staff has secured a quote on Diamond Dust infield mix in the amount of \$7,833.60 including taxes. This is a sole source provider for this specific product that we use in all baseball infields. No other providers offer this mix so additional quotes are not available. There is sufficient funds available in the budget line item for this purchase.

Staff recommends approval.
