Re: Personnel Policy Update-Insurance

The budget includes updating the District's Benefit package to include Medical/Dental/Vision premium coverage at 80% for Spouses/Dependents, as well as the inclusion of AD&D, LTD and Term Life Insurance for staff at 100%. This policy update would bring our policy manual up to date with the proposed budget. Staff recommends approval of this Resolution with an effective date of 1/1/2023.
