

Memo

To: Board of Commissioners
From: Doug Coutts, Director
Date: 10/13/2022
Re: Playground Engineered Wood Fiber Quote

The quote from Gametime included in your board packet for Engineered Wood Fiber being blown into the playground surfacing is from the KCDA State bid. As it is a State Bid, the quoting process has already been completed bid the state and there is no need for multiple quotes.

Staff recommends approval of the quote from Gametime in the amount of \$8,418.94.
