

SEASONAL MAINTENANCE LABORER

The position is a Seasonal Maintenance Laborer position available between May and October, 24 hours per week, starting at \$20.19 per hour. May be required to work weekends and/or holidays.

The responsibilities of this position are as follows:

- Open & close gates
- Clean restrooms
- Pick up litter
- Collect trash and garbage
- Mow grass
- Edge and trim grass areas
- Landscape maintenance
- Building maintenance
- Weeding, mulching, watering
- Prep baseball fields and soccer fields

This position interacts with the general public on a regular basis and requires a friendly, courteous, and knowledgeable person to answer questions and respectfully assist visitors.

This position requires the ability to lift and move a minimum of 50 pounds on a regular basis. Job duties are carried out in all types of weather conditions. The physical ability to stand, walk, ride or move eight hours a day is imperative.

Applications are available at the District Headquarters Building located at 5475 Maxwellton Rd., Langley, WA 98260 or on-line at www.swparks.org. Applications will be accepted in person, by mail, by fax or by email to swparks@whidbey.com. Position is open until filled.
