# ACTIVITY GUIDE

SUMMER 2025

OUTDOOR ACTIVITIES • SPORTS & FITNESS • SUMMER CAMPS

SOUTH WHIDBEY TRIATHLON • SATURDAY, JULY 19

## A Note from Our Executive Director

There is no place like South Whidbey in the spring and summer. Minus a little extra ferry traffic, our community comes alive with amazing outdoor activities. As a boy, growing up on Whidbey, I spent all my summers at beaches, playing ball in the park, and attending different summer programs. Many years later, it is fun to help create these memories for another generation.

That said, we are excited to present our activity guide, which includes a whole bunch of new and exciting programs this summer for you and your family. From the very young to the 'not so young', we try to create options for everyone to enjoy this summer.

In addition to some amazing programs, our two capital projects are moving forward. We are going out to bid this spring/summer for the construction of our new outdoor pickleball courts and, of course, the new South Whidbey Aquatic Recreation Center. Both projects will be an amazing enhancement to our parks and community.

Finally, I want to thank our amazing Parks and Recreation team. Their work ethic and passion for the South Whidbey Community is seen in our countless trail systems, unmatched parks and our assortment of recreational programs for everyone. They truly are something special!

Enjoy the sun!

Brian Tomisser  
Executive Director
