FINANCIAL ASSISTANCE FOR PROGRAMS

There are needs-based resources available to enable youth and seniors (ages 60+) to participate in programs with SWPRD. Call 360-221-6788 for info.

HIYI YOUTH SCHOLARSHIP FUND

The Healthy Island Youth Initiative (HIYI) Committee solicits donations to support ongoing efforts to keep organized healthy activities affordable for all local youth in Island County. The HIYI Scholarship Fund addresses these needs by helping cover the cost of registration fees, equipment and/or other expenses so that youth in Island County can participate in organized physical activities, regardless of their family's economic status. The South Whidbey Parks & Aquatics Foundation, a 501(c)3 organization, is the fiscal agent for HIYI, and receives, holds and distributes funds upon direction from the HIYI committee. Donations to this fund may be tax deductible. Donations to the scholarship fund should be made payable to South Whidbey Parks & Aquatics Foundation, and should be mailed to 5475 Maxwellton Rd, Langley WA 98260, with a note on the memo line directing it to the "HIYI Scholarship Fund". Any Whidbey Island youth may apply for assistance to participate in any organized sport or physical activity. The needs-based scholarships are awarded based on financial criteria and commitment to the activity. Those interested in receiving financial assistance should call Skye at 360-221-6788 or visit www.islandcountywa.gov/351/Healthy-Island-Youth-Initiative

A Note from Our Executive Director

Bob Dylan once said, "Chaos is a friend of mine". The last year or so we have embraced this friend as we completed the construction of six outdoor pickleball courts at the Sports Complex and are busy with the construction of the Aquatic Recreation Center (SWARC). If everything stays on schedule, we are planning to open the center in Spring 2027! All of this, while continuing to offer the great programs and facilities that you have become accustomed to enjoying.

As we look forward to summer, we are excited to present our activity guide packed with programs for all ages over the next several months. We are offering more Concerts in the Park and have added a Kid's Concert. Our popular youth camps and swimming lessons return, along with more fun ways to enjoy this incredible Island.

Our Parks staff have been working non-stop to get the parks ready for the beautiful weather that is coming. We appreciate the patience of those of you who have visited the Community Park over the winter and experienced the impact of the SWARC project. Good news is we are just about done the part of the project that impacts the park and we'll put it back together as beautiful as ever.

This time next year we will be on the verge of opening the SWARC and our little Parks Department will be growing significantly. Until then, I want to personally thank the amazing staff team that works extremely hard for you and continue to find joy in the chaos.

Have an amazing summer!

SWIM LESSONS

**AGES 4+, LEVELS: 1-5,
6/PRE-SWIM TEAM**

Swim registration opens May 5th at 9AM. Lessons fill quickly!

Because we are limited in our lesson capacity, **we will limit to one lesson package per child for an early initial registration period.** Starting Tuesday, May 12th at 8:30AM, you may enroll your child for additional swim lessons.

Learn to swim at Useless Bay Golf & Country Club's outdoor pool with South Whidbey Learn to Swim lessons. Our program teaches aquatic safety and swimming skills in a logical progression, helping children become safe, confident swimmers. Kids can advance through 6 levels, and each session ends with a Safety Day focusing on pool, beach, and boating safety. Certificates are awarded at the end of each session.

Please carefully review the website www.swparks.org/swim-lessons/ for updates on details and changes prior to registering. If applying for a scholarship, see page 3, and do so at least 2 weeks prior to registration opening.

Registration: Choose the level most appropriate for your child's ability. If unsure, view the swim lesson class descriptions and skills online at www.swparks.org/swim-lessons. Students' progress through levels at different speeds. When registering for multiple sessions please keep in mind:

- Level 3 introduces side breathing and often needs to be repeated.
- Level 4, 5 and 6/Pre-swim team are in the deep end.

If a child is placed in the wrong level, we will try to move them to a suitable class if space is available. If no space exists, a refund may be issued (see refund policy). Please register for the level that matches your child's skill. Classes fill on a first-come, first-served basis. To apply for a scholarship, submit at least 2 weeks before registration. If a class is full, join the online waitlist. There are no make-up days for personal or weather-related reasons. We reserve the right to adjust levels and schedules based on enrollment. Classes may be canceled if the minimum enrollment is not met.
